May, 2011

Message from our President:

Hello to all:

I hope everyone enjoyed the winter as much as possible. I believe spring is just around the corner. There are too many things going on for me to tell you about with the limited space I have in this newsletter. Let me say that there will be numerous issues to be discussed at the **Annual Business Meeting** on May 28th at 1:00 P.M. at the Monroe Town Hall. The Officers and Directors have done a good job of monitoring the Shoreline Commons Area, signing up new members in a depressed economy, working in cooperation with organizations such as the PACRS to improve water quality, Adams County Lake Alliance on lake issues, Petenwell Musky Challenge and Muskies Matter to encourage tourism and stock muskies and the Wisconsin Bowfishing Association to control carp. We are searching for members to become Officers and Directors as new ideas will help your Association. I anticipate seeing all of you at the Annual Business Meeting.

Terry

Klein Creek

A new plan for piers is being presented to the DNR. The Officers and Directors have sent a letter to the DNR informing them of our disapproval of the new plan. The new plan does not drop the amount of piers to be put in but only a new arrangement.

Picnic

The date for the 2011 picnic will be August 27th. The band as of now has not been finalized. Further information will follow later in the year. **We still need the help of our members for our door prizes. Please help!!!!!!**

Membership

The membership form for the 2011- 2012 year is enclosed with this newsletter. Please fill out the form and return it by mail to the PCPOA at the address on the form. **Do not bring** to the Annual Meeting as it causes too much confusion with the other proceedings. Please fill in the form as complete as possible. We need your mailing address not the address of your summer property. We will need any change of address, phone number, etc. **Please write or print clearly.**

Annual Meeting

The Annual Meeting will be held at the Monroe Town Hall, on May 28th, 2011 at 1:00 P.M. The Monroe Town Hall is located on County Highway Z just a little north of County Highway C. All the Officers and Directors hope that you all will attend as we need your input in order to do things for you and to know what you want us to do for you. Hope to see you **all** there.
