## From our President:

### Greetings:

I hope you all had as good a winter as possible, given the seemingly never ending frigid temperatures. But it looks like that is all behind us now and we can put the winter of 2008 - 2009 in the books.

You should know that the officer and directors had a busy winter attending meetings and hearings relating to PCPOA business. The PACRS group held regular meetings throughout the winter, and those meetings were well attended by several of the officers and directors. The PACRS and PCPOA continue to move forward in our efforts to educate the public and lobby state lawmakers to address the algae problem on the river and the flowages.

There is much business to attend to at the annual meeting on Saturday, May 23<sup>rd</sup>. Half of the officer and director seats will be up for election, changes to the bylaws will be proposed, and issues which may require the retention of legal counsel will be discussed, along with other business requiring consensus votes from the members. I would like to extend my personal invitation and plea for all members to attend this very important meeting. Other officer and director meetings are listed on the website and are open to all members.

That being said, I would like to welcome all of our new members to the PCPOA and welcome back all of you "snow birds". I hope you all were able to get your cabins and homes opened up for the summer with no problems. I look forward to seeing all of you at the annual meeting on May 23<sup>rd</sup>.

Doug

## Annual Meeting -

The annual meeting of the PCPOA will be held on Saturday, May 23<sup>rd</sup> at 1:00 P.M. in the Monroe Town Hall. The Monroe Town Hall is located on County Highway Z just a little north of County Highway C. There is a great deal of business to be discussed, so we hope that our members will attend.

All meetings are held at the Monroe Town Hall.  
All times are from 9:00 to 11:00 A.M.  
Some of the meetings are on Fridays this year to enable the board members to have more time on weekends.

At the writing of this newsletter, we were informed of the passing of a dear friend and member of the Board of Directors, Herb Damron. Herb will be very much missed by all of us that knew him well. He was one of the original group that started the PCPOA. Up until the time of his passing, he was a strong advocate of our organization. Our deepest sympathy goes out to his family and friends.

### **Membership -**

Again this year, I would like to ask all of you **to mail in your membership** rather than taking them at the annual meeting. It made things a lot less confusing for me by doing it that way last year. Again I wish to thank you for your understanding.

Carol Lyman, Secretary
